

2019 Spring Seminar Sponsorship Opportunities

Promote your company at OMCMG's second annual Spring Seminar!

Friday, May 31st at the Lorenzen Center at LEMC

This event is an educational opportunity for the Oregon community of Case Managers and the many professionals that support them. We are anticipating this event will offer 3.5 CE's.

We strive to make each event engaging, useful and inclusive.

OMCMG's events offer dedicated exhibit and networking time for you to connect with conference participants about the products and services your company provides for their clients and customers. Without the support of our vendor and sponsor community we would not be able to offer the education and networking opportunities to our members.
